

HOW WE DO IT

INFRASTRUCTURE SUSTAINABILITY COUNCIL (ISC)

The IS Rating Scheme (IS) is a comprehensive system that evaluates the economic, social, and environmental performance of the planning, design, construction and operational phases of infrastructure assets, networks and portfolios.

“ Providing technical and expert advice on Infrastructure Sustainability credit improvement and conducting precise and detailed audits. Everything done by Perspektiv is high quality”.

WHY?

Providing independent assurance of sustainability performance for complex infrastructure projects and assets, while helping:

Reduce
Risk

Promote
Efficiency

Change
Receptivity

Encourage
Innovation

Enhance
Reputation

OUR PROCESS

Using the IS Rating Scheme (IS) we evaluate the economic, social and environmental performance of the planning, design, construction and operational phases of infrastructure assets, networks and portfolios.
